Hiring Manager
Gameforge
Karlsruhe, Germany

Dear Hiring Manager,

I am writing to express my interest in the Software Developer position at Gameforge, as advertised. With a robust background in frontend development at my previous organization and a deep passion for gaming and web technologies, I am excited about the opportunity to contribute to your esteemed team.

I have honed my skills in developing engaging and responsive web and mobile applications. My experience with modern and various frontend technologies aligns well with the responsibilities outlined in your job description. I am particularly drawn to the prospect of working on technical concepts and implementing new features for Gameforge's acclaimed browser games.

I admire Gameforge's commitment to building active global gaming communities and am eager to leverage my expertise in software architecture and documentation to enhance the user experience of your games. My proficiency in working with legacy codebases and containerized environments, coupled with my ability to work collaboratively in a team, positions me well to contribute effectively to your diverse and international team.

Enclosed is my resume that further outlines my achievements. You can also view my portfolio of projects on GitHub at <https://github.com/WandaWeira>

Thank you for considering my application. I am looking forward to the opportunity to discuss how my skills and experiences align with Gameforge's vision and how I can contribute to the ongoing success of your gaming portfolio.

Sincerely,

Rashiidah Weira Wanda
